eAlert Notifications

Looking for a better way to keep track of the activity in your AAA Federal Credit Union Account? "It's Me 247" eAlert Subscriptions let you do just that! You can receive an email notice to inform you whenever your AAA FCU account balance reaches a certain level, whenever a deposit is made, or to notify that your loan payment is due. EAlert notifications will save you time by eliminating the need to constantly check balances. To set up eAlert notifications, login to your "It's Me 247" online banking account and select the "eAlert Subscriptions" link under the "My Messages" tab.

Money management tips for eAlerts:

- **Cell Phone Alert:** Want your alerts to come to your cell phone? Many Cell phone carriers assign email addresses for each phone number. Contact your cell phone carrier to see if your phone has an email address and then set your eAlert to deliver to that address instead of your personal email.
- **Low Balance Alert:** Schedule eAlert notifications to be sent when your account reaches \$100 (or any customizable amount of your choosing), so that you know to transfer money or limit your spending.
- **Daily Balance Alert:** If you want to receive daily emails with your account balance, simply set the alert balance really high - much higher than what you would normally keep in the account.
- **Set a Savings Goal:** Schedule an eAlert notification to be sent to you when your savings account reaches the exact amount of that tropical vacation that you've been saving for...or whatever your savings goal may be.
- **Loan Payment Due:** Have trouble remembering what day your loan payment is due? Schedule an eAlert to remind you a few days before your loan payment is due.

For more information about eAlert notifications contact any one of our 3 AAA Federal Credit Union locations.
