## Drive-Up Savings

Everyone wants to save more money. Unfortunately, very few of us find that very easy to do. AAA FCU has a solution. The Drive-Up Savings Term Share Certificate. When you open a new auto loan with us, just tell us that you want a Drive-Up Savings Term Share Certificate added too. We will give you a term share certificate with a rate that is the same as your approved auto loan rate! Each month when you make your auto loan payment, you can also deposit an amount of up to 10% of your loan payment into your Drive-Up Savings Term Share Certificate. Just think of the savings that you'll have by the time your loan is paid off. You could use that money for a down payment on your next loan, for a vacation, keep it as an emergency fund, or use it for several other investment opportunities available to you as an AAA FCU member. For more information about Drive-Up Savings Term Share Certificates contact one of our three credit union locations.
