Your new AAA office is open!

The doors of AAA Federal Credit Union's newest building at 1404 East Ireland Road in South Bend officially opened to the membership at 9am on March 5th.

"This location offers our members a very convenient location and will allow us to offer additional services to our members in the future," said AAA President Paul Obermeyer.

Obermeyer said it became clear over the last few years with the expansion of the US 31 project, that the convenience of getting to the location had proven a hardship to members. He feels this new location remedies that problem by being highly visible and easily accessible on Ireland Road.

If you had gotten attached to the staff at the old location, don't worry, you'll be greeted by familiar faces when you visit the new location.

The hours have remained unchanged - Monday through Friday from 9am until 5:00 with the drive-up open until Friday evening at 5:30. The drive up is open on Saturdays from 9-Noon.
